# EARCA PRESIDENT'S MESSAGE

by Todd Hardy, EARCA President & Website Coordinator

As the season changes, it brings with it a sense of wonder and cheer as to what could be around the corner for communal activities and gatherings. With COVID still lingering, the Evergreen and Aspen Ridge Community Association is working hard to prepare safe spaces for people participate in the community.

The end of cold weather means that our Rink has closed and this allows us to start focusing on spring and summer programming. Here is just a sneak peak of what to expect:

- Superhero Cleanup Day
- Soccer
- Softball
- Other programs as instructors will allow

Let's make sure to stay safe and enjoy the beautiful outdoor spaces of our community as much as possible.

And, if you have ideas, we want to hear them! Email me at [president@earca.ca](mailto:president@earca.ca) to have your voice heard!

# REGISTRATIONS OPEN FOR SPRING ACTIVITIES

By Melissa Tysowski, EARCA Vice President & Basketball Coordinator

**Registration is now available** for Kinderball until April 29 and U6-U10 softball until May 6. Evergreen Aspen Ridge Community Association partners with Saskatoon Hustlers to manage Timbits Softball teams and scheduling.

EARCA will collect registrations for Kinderball, which will take place in Willowgrove and will be hosted by Willowgrove University Heights Community Association.

Coaches are needed for all teams. A mandatory coaches clinic will be held April 26 or 27, 6-9 p.m.

EARCA is hoping to bring other spring programs to the community, depending on registration numbers.

Registration is currently open for an outdoor **Mom & Baby Fitness class** in Evergreen Square as well as an online **Tai Chi class** via Zoom. Watch the **EARCA Facebook page** and **EARCA.ca** for more details.

Are program fees an issue? **KidSport Saskatoon, Jumpstart**, and other cost-as-a-barrier assistance is available for those facing financial hardships. Visit our **programs page** for full details.

## COMMUNITY GARDEN INFORMATION

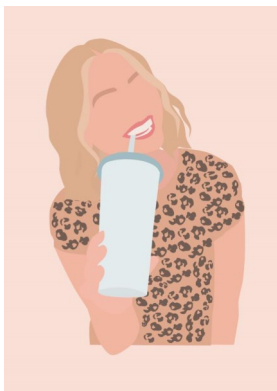

Around this time of year, EARCA fields many questions regarding community gardens. However, the Evergreen Community Garden, located at Prebble Park of Sauer Crescent, is not currently affiliated with the Evergreen and Aspen Ridge Community Association.

There are 25 family plots and four community plots. Residents of Evergreen are given priority, and consideration is given to those

who do not have a yard to garden in. If you would like to get involved, please **contact Angela Sloman**.

EARCA is currently investigating the need for a secondary garden. At least 50 households must indicate willingness to build a new garden in 2022. Please fill out **this form**, if you would be interested in participating in a new community garden project.
